Dear Mrs Freeman, teachers and students.

The team at Hope & Halos would like to offer you our heartfelt thanks for all you have done and are still doing for the people of Knysna.

The generosity of the people of Springs has been overwhelming and your school really has been at the forefront of this. As far as I know, you are the only school that initiated a drop off point and the response to this really was mind blowing.

Your school has led from the front and shown people what can be achieved when a community answers a desperate plea for help. You have a school to be proud of and words just really are not enough to express this. Thank you Springs Boys' high for setting the standard, your efforts are appreciated by us all.

We are continuing the drive for Knysna by hosting a fun day in Springs on 29<sup>th</sup> July. For this we need everyone to continue giving and keep the initiative alive. We will be sending out more information on this drive next week, but we hope we can rely on Springs Boys' High for their continued support.

Once again, thank you from the bottom of hearts. Springs Boys' High – you guys rock.

Sincerely

*Louise Mawhinney*
