

Winter Uniform

Although we officially switch to winter uniform next term, learners may still wear their summer uniform. However, it is compulsory to wear tackies from now on. Please note that tackies must be a sports shoe and not a fashion statement. The majority of the tackie should be white with as little as possible navy blue in the shoe. Our clothing shop also sells tackies.

Scarves are available at the clothing shop and may be worn during class time. Rain jackets may also be worn in class.

Wintersdrag

Alhoewel ons vanaf volgende kwartaal amptelik ons winteruniform dra, mag die leerders steeds hulle somerklere aantrek. Dit is egter verpligtend om tekkies daarby te dra. Let daarop dat tekkies 'n sportskoen moet wees en nie 'n modegier skoene nie. Die tekkies moet oorwegend wit wees met so min as moontlik donkerblou in die skoene. Ons klerewinkel verkoop ook nou tekkies.

Serpe is by die klerewinkel beskikbaar en mag in die klas gedra word indien u kind koud kry. Die De Hoop reënbaadjies mag ook in die klaskamer gedra word.
